## American Hip-Hop

Hip-Hop was created on the basis of black soul and funk music. Rap follows the Jamaican musical tradition. Toasting, sampling and scratching are part of it. The name hip-hop was invented by Love Bug Starsky or Dj Hollywood. Hip-Hop is not only music. It is a youth culture, too. Hip-Hop was invented in the year 1970. Kool DJ Herc began to repeat the beat of a funk, soul or disco hit instead of playing the whole beat. Modern Rappers are: Tu Pac (†13 September 1996), Eminem, 50 Cent, Snoop Dogg, Jay-Z, Busta Rhymes.

**German Hip-Hop:** The most active time of German hip-hop was in the middle of the 1980's. Hip-Hop was rather political than musical. The rappers "The Fantastic Four" were the first guys who began to make hip-hop audible. People said that they did pop rap, but it was hip-hop. In the city of Hamburg rapper sbegan to make their beats lighter (bands like "Fettes Brot" or rappers like Samy Deluxe...)

The first rappers who began to rap were Kool Savas, Azad and Samy Deluxe... Rappers often say things in their songs which no one would dare express. Hip hop is very provocative sometimes. Today Hip-Hop is very popular and there is a wide range of different types. Today there are ballad hip-hop songs, mind hip-hop songs, aggressive hip-hop songs, funny hip-hop songs, insulting songs (that is called dissing) and, and, and...
